## COASTAL HOMES

The Heads is a gem of a home, designed for the family that loves to entertain hosting events and gatherings with friends and family.

A great feature is the separate kids retreat sits central to the surrounding bedrooms.

Explore the many facets of this design and it will enthrall you as the number of stylish features just keep on adding up.

There is plenty of room to spread out and move around in your own space. This is a home for a lifetime.

Floor area: 266m<sup>2</sup>  
26.2m x 16.2m
